

The Massachusetts Registry of Motor Vehicles (RMV) awards Junior Operator Licenses to drivers between the ages of 16 1/2 and 18.

To obtain a Junior Operator License, teens have to graduate from a state-approved driver's education school with:

- 30 hours of classroom instruction (15 topics + a written exam)
- 12 hours behind the wheel
- 6 hours of observation from the back seat of the training vehicle.

In addition, *a parent or guardian must attend a two hour driver's education class.*

NCS provides these requirements.

Please refer to information in this brochure for details.

DID YOU KNOW?

Many MA insurance companies offer a 10% discount on premiums for the first 3 years after a teen completes a state-approved driver's education program. Check with your insurance company for details.

Are you over 18 years old in need of driving lessons?

- Please call 508-228-7285 x1576 to make the arrangements.
- Cost is \$75 per hour.

PARENTS TRAINING

The Massachusetts Registry of Motor Vehicles added a parental requirement to the Driver's Education Training. This mandatory, two-hour class will provide parents an overview of the training their children receive, as well as the rules in place for the Junior Operator License Requirements.

REQUIRED PARENT CLASS

Wednesday January 9, 2019

6:00 pm to 8:00 pm

NHS- Room 102

No need to sign up for class.
Walk-ins welcome.

Please keep in mind that a parent/guardian is required to attend this class **PRIOR** to the student's Driving Test.

You are excused from the Parent Meeting if you can provide proof of attendance in the last five (5) years.

Parents are required to document 40 hours of driving time with their student drivers.
